Applicant, please note the following:

- Accessory Building may only be erected on the side and rear yard of property.
- Applicant must maintain 10 feet from the property line (side and rear of property) and 20 feet between permanent buildings.
- If property is located at an intersection, the property has two fronts. Check with Zoning Officer for proper setbacks.
- Permit becomes invalid if work is not commenced within 180 days of issuance.
- Permit becomes invalid if work is suspended or abandoned for more than 180 days after work begins.
- Buildings may not be placed or built in the right-of-way, easements, replacement septic areas, or delineated wetland areas.
- Permit holder may request an extension to begin construction. Approval must be in writing by the Code Enforcement Officer.
- If licensed contractor is performing the construction, a certificate of liability must be provided prior to permit being issued.
- Refer to building inspector's Plan Review for required inspections.

PLOT PLAN

Outline the shape of the building lot and show dimensions. Locate NORTH point. Outline accessory building to be constructed and designate any other building(s) on the same plot and show dimensions of those buildings. Show set-back of front yard, rear yard, and side yards. Locate water and sanitary services, and replacement area septic (if applicable). Check with Zoning Officer for appropriate setbacks.
